Inventory Parts – Cast Stone that we have manufactured and in stock now. Our best prices are for inventory and surplus units. Call today to get an up to date listing of what we have available. Ready to ship right away!

Stock parts – Cast Stone we have already designed with molds produced. We can begin production at our earliest open factory availability slot. There are no drafting or designing, and no additional costs. Generally takes 4-6 weeks, less than for custom designed parts and units.

Use

- Simpler patterns and profiles
- Less decorative touches

Maximize the visibility of your ornate or decorative touches.

Use Jackarches, Window Sills, and Keystones instead of full surrounds.

Use Newel Piers and iron balustrade, or Wall and Pier caps instead of cast stone balustrade.

Use Accent panels rather than fully paneled wall cladding.

You can get more lasting cast stone beauty for your house. We can help you match your budget needs with your design concepts.
