

## Greeting Cards

Location: Media Support/Greeting Cards

We have a selection of greeting cards ready to print or to email .

- 1) Thank you card
- 2) CSCS Christmas Card
- 3) Stone Legends Christmas Card
- 4) Stone Legends Hanukkah Card
- 5) New Xmas Card Designs Annually

Each card has a short greeting and plenty of space for a personalized note. They are all folded cards, the Xmas cards are one per letter size sheet, and the thank you cards are two per sheet. These cards are printed on demand only, so to mail a printed card, make a request to Marketing in plenty of time before the holiday mail rush to ensure timely delivery. Please provide a file with the name and address of all people receiving cards.

For the Thank You cards be sure to mention the project we just completed, and you might make a subtle comment about photos (“We’d really like to see the completed project”, or something like that) or a testimonial.

For Christmas cards be sure to find any personal info captured in the contact database, like family member’s names to add to the personalization of the card. Again be sure to leave time for printing and the Christmas mail rush.
