

Some of our best projects, with photos and CAD drawings and breakdowns of how some of the most impressive cast stone units were designed and constructed. Showcases for our Residential and Commercial projects.

Marketing Spins

Text for email to send with the flyer that tells a customer what he is looking at, written with different target audiences in mind.

Spin 1) Architect/General Contractor/Builder/Mason

I'd like to submit a bid for your cast stone project. Stone Legends produces stone units of detail and complexity that no one else in the industry can attempt. Our estimating and design teams will create whatever you can imagine, and our submittal package makes assembly go smoothly. Every part has an exact location in the pallet, on the drawings and on the project. Let us see your plans so we can get a bid for your cast stone needs.

Spin 2) End User

I wanted to contact you about your building project with cast stone. At Stone Legends, we pride ourselves on our ability to produce the most complex units and most unique designs possible. Our estimating and design teams will work closely with you to make your dream home come true.
